Dec-2019

Overview

This document will go over the process of using the iPad at the Color and Depth station on clinic.

Color & Depth

Once you have searched for the patient you will be brought to the Color & Depth page. The first page is labeled patient information and has the following fields.

CID – The clinic ID number for this specific patient.

Name – First and last name of patient.

DOB – The patient’s date of birth in MM/DD/YYYY format.

Group – The school, group, or community the patient is with.

Photo – Consent to media consent or not.

Allergies – Any allergies will be listed here.

Please confirm their first and last name, date of birth, as well as any allergies. This is a very important step so please don’t forget!

Notes:

Broken Glasses -

Patient Status Test Date

Below this you can make any notes from the test. These notes are for medical comments only so keep personal opinions and comments out. After this line the patient status should be set to the current station, if it is not please change it to be “Color Depth.” Confirm the patient test date and press “Update.” This will take you back to the search page and you can move on to the next patient!
